

AMERICAN ACADEMY OF TEACHERS OF SINGING

Serving the profession  Serving the Art

For over 100 years, the AMERICAN ACADEMY OF TEACHERS OF SINGING (AATS) has served as a resource for the singing community. Formed in 1922, AATS initially published papers about classical voice pedagogy, science, and repertoire. In recent years, our distinguished group of nationally-known and respected teachers has expanded our outreach to include ground-breaking papers about ALL styles of singing.

At this 2024 NATS Conference, please join us for a discussion on
"Pedagogy-Informed Voice Science: An essential partner to science-informed voice pedagogy"
